

DITTON ALLOTMENT TENANTS SOCIETY

For 10 years now we have run a 'fun competition' for allotmenters.  
The trophy is a memorial to my husband Robin Webb who was a keen allotment holder.

This year we decided to try something different.

I have agreed to look after this competition and have decided to make the challenge sunflower related each year, this year **being the largest sunflower head**, I have also agreed to donate a sum for each entry.

The money going to Hayley's Heroes (Hayley Martin was a young woman who ran a support cancer group at Maidstone Hospital until her death in January) The fund is open to all Kent Oncology Centre patients and is designed to help both patients and their families and is particularly pertinent to me at this time. .

So I am asking you to sow some sunflower seeds in your allotment and during the year I shall be able to see who is in contention. Perhaps children or grandchildren would be keen to plant them and watch them grow there too.

Please let me know if you are interested in entering this fun idea.
